

I am writing to protest Sinclair Broadcasting's decision to force their stations to air a a partisan attack on John Kerry. I would be writing the same letter if another media owner was forcing stations to air an anti-Bush "documentary". The public airwaves must be not be controlled by big corporations or we lose one of the most important components of our democracy. Unfortunately, this is what happens as a result of weakening media ownership rules.

I urge the FCC to take action to strengthen media ownership rules, not weaken them. Thank you.
